New Kitchen  
**VIBES**

**CLASSIC WITH A TWIST**

This kitchen by Moss Design includes unexpected touches, like the soft blue Farrow & Ball painted cabinetry paired with a white oak island, bold brass hardware and ebony light fixtures. Updated and sophisticated, this classy kitchen is ready to entertain. [mossdesignct.com](http://mossdesignct.com).

**LISA JARVIS**

Decorative hardware adds personality to a kitchen and Lisa Jarvis' hardware makes a statement. The Linda satin brass pull with polished nickel bands is offered in multiple sizes. Available through Ring's End, [ringsend.com](http://ringsend.com), [lisa-jarvis.com](http://lisa-jarvis.com).

**KOHLER**

Kohler's Ironridge farmhouse kitchen sink features a sleek apron that brings a fresh aesthetic to any style kitchen—farmhouse, traditional or contemporary. Crafted from enameled cast iron, the sizeable, single bowl accommodates large pots and pans. Available through Kohler Signature Store by Plimpton & Hills, [kohler.com](http://kohler.com).

CLASSIC WITH A TWIST: JANE BEILES

**MOEN**

Moen's Cia collection faucet combines hands-free technology with modern elegance. Equipped with voice activation and touchless functionalities, the pulldown kitchen faucet is offered in a variety of finishes. Available through Ferguson, [fergusonshowrooms.com](http://fergusonshowrooms.com), [moen.com](http://moen.com).

**TRUE RESIDENTIAL**

Inspired by professional chefs, True Residential's 48-inch side-by-side refrigerator/freezer in Cobalt is designed with the brand's industry-exclusive 300-series stainless steel and is equipped with a built-in prism-shape ice maker. Balanced forced-air refrigeration enables proper airflow and even temperature to keep food fresh and the Low-E, double-pane thermal glass door is energy efficient. Available through Aitoro Appliance, [aitoro.com](http://aitoro.com), [true-residential.com](http://true-residential.com).

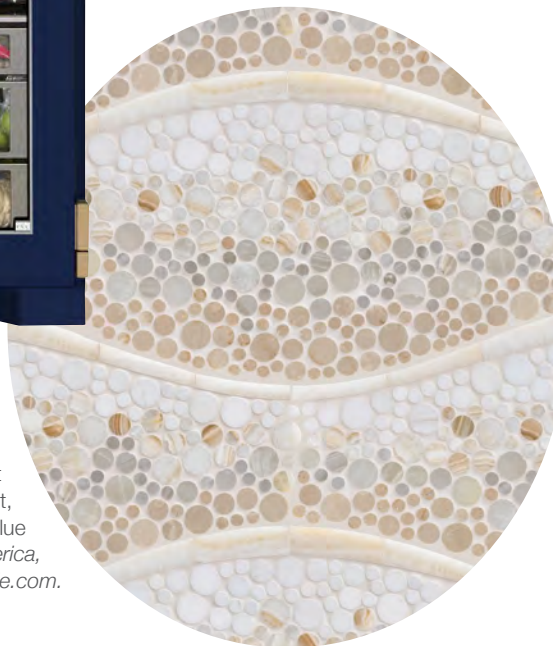

**KALLISTA**

Designed by Mick De Giulio, Kallista's Multiere 45-inch stainless steel sink provides the ultimate workstation for prepping and cleaning. It includes multi-tiered storage with task-oriented accessories and is paired here with the Juxtapose semi-professional faucet. Available through Waterware Showrooms, [waterwareshowrooms.com](http://waterwareshowrooms.com), [kallista.com](http://kallista.com).

**ARTISTIC TILE**

The ogee wave of Artistic Tile's Calypso Cream Ombre Mosaic adds movement and texture to a backsplash. Stone dots in multiple sizes evoke effervescent bubbles in an ombre of dark to light, available in warm cream and cool blue colorways. Available through Tile America, [tileamerica.com](http://tileamerica.com), [artistictile.com](http://artistictile.com).

**LG**

The Smart Top Control Dishwasher from LG features a one-hour wash and dry cycle to get dishes done quickly. The Dynamic Heat Dry technology circulates hot air throughout the dishwasher for faster, more complete drying. Available through P.C. Richard & Son, [pcrichard.com](http://pcrichard.com), [lg.com](http://lg.com).

**BAKES & KROPP**

Cinder Stain represents a new finish for Bakes & Kropp Cabinetry. The neutral blue/gray lends color without being overpowering and the sliced walnut wood grain imparts texture. NYDC, [bakesandkropp.com](http://bakesandkropp.com).

**BLUESTAR**

The BlueStar Electric Wall Oven is user-friendly with a large, seven-inch full-color touch screen. Chef-inspired innovations include industry-leading capacity and an integrated artisan baking stone. Available through Planet TV & Appliances, [planettv.com](http://planettv.com), [bluestarcooking.com](http://bluestarcooking.com).
